About

S

Feature of Learning Recovery programme

The education of more than 1.5 billion students world-wide has been hampered by the COVID-19 pandemic, many students in our country had to manage with online education but many of them did not even get this opportunity due to lack of infrastructure. In order to compensate the learning loss, Odisha School Education Programme Authority (OSEPA) is implementing the Learning Recovery Programme from Class III to IX.

Feature of Learning Recovery programme

The education of more than 1.5 billion students world-wide has been hampered due the global pandemic. Due to the pandemic, many students in our country had to manage with online education for the past two years. Many students did not even get this opportunity due to lack of infrastructure. In order to compensate the lost learning of the last 2 years, Odisha School Education programme Authority (OSEPA) is implementing the learning recovery programme for the students from Class III to IX.

The background is a light gray gradient. In the top-left and bottom-right corners, there are several realistic water droplets of various sizes, some overlapping. In the center of the top half, there is a faint, circular, embossed-like pattern that resembles a globe or a complex geometric design.

THANK YOU
